MAKING A WILL THAT CARES IN THE WAY YOU CARE

Drawing up your will is one of the most important actions you will ever take to look after those you care about. Every person is an individual and each financial situation is different so we strongly recommend that you consult with your legal advisor before drafting a new will or updating an existing one. Naturally, you will want to make sure that your family and loved ones are cared for first but, depending on your circumstances, you can support The Eastern Star (Australia) Foundation by leaving a bequest in your will in the following ways:

- A gift of a specific sum of money
- The remainder (residue) of your Estate after other beneficiaries have been
- A gift of property or shares etc
- The whole of your Estate if you do not have other dependants to provide for

You can either leave your bequest to be used in whichever way Eastern Star Foundation think most appropriate or you can specify the sort of Eastern Star Foundation initiative you would like your gift to be used for.

How to word your bequest in your will

Your legal adviser will be able to give you further guidance, but the following wording is a typical instruction.

I give to The Eastern Star (Australia) Foundation Ltd (ABN ABN 36 640 477 592) of Level 1, 826 Ann Street Fortitude Valley, QLD 4006 [(the whole) or (a specific amount or gift) or (a percentage) or (the residue)] of my estate free of all duties to be used for The Eastern Star (Australia) Foundation Ltd and applied for purposes as its directors may determine. I declare that the receipt of the treasurer or other authorised officer shall be sufficient discharge to my executor or trustee.
